We leave: part of ourselves.

We take: sand in our cuffs, bits of culture,
words of language, used text books,
friendships and experiences with
loved ones.

Memories

Photographs

But is the picture or memory one tenth
of the thing?

A hundredth?

Is it anything without the sight, touch and
knowledge of its presence with each rising
sun?

Oh! But I got all that, too.

It is exposed forever on the sensitive
emulsion sheet

Of my mind.
